Personal Description

I'm in my third year of college and love every minute of it and will soon be in nursing school , I enjoy Learning and studying decorating,designing,music,cooking,baking ,beauty and fashion. People who know me say that I'm a warm,sweet,caring and compassionate person.

Looking For

I'm looking for a down to earth person who is honest,patient, compassionate,who combines Torah Vavodah, loves family,kids and has a sense of humor.

If they play music,it would be awesome and amazing but they don't have too. I'm also modern yeshivish and have dated people who were on another level as me but did not work out date someone around rink 22-24 who is also modern yeshivish like me.

Future Plans

My future plans are to have a beautiful Jewish home, filled with lots of love and Brochos. Having a family has been a dream of mine so I would let them be into playing music as a hobby, learn and study new things, and teach them about Torah and Mitzvochs.
